DENA CALY says she likes guys & chicks. There's such a diff when it comes to sex when you're with a guy or a chick. I find that most guys are rougher and tend to

want to do things faster. But chicks like to take their time and really get into it. My Byron is a darling fuck.

Probably because he does it so much, he's more aware of what women want. Of course the pace of a video shoot tends to slow down the sex, but when the action starts – it's full dick ahead.

I'm not a newbie any more, but I still love to fuck. It's amazing that human nature keeps us forever horny, no matter how many times we've done the dirty deed. But enough philosophizing. Byron get over here, I feel like sucking some dick. Is your's ready, because I am. Then you're going to shove it in my pink pussy as far as that huge thing will go. Let's do it, dude!

A close-up photograph of two people's legs. The person on the left is wearing black strap-on harnesses. A red dildo is inserted into the person on the right's vagina. The person on the right has dark, wet skin. The background is black.

It seems like these two got in a whole
lot of practice. Dildos and huge strap-
ons penetrating wet pussies. We have
to admit, this is as hot a fuck session
we've seen in a long time. It's like
monster dicks without the guys. Is that
even hotter? We think so.

CAFE SWEETS

Recently, my lady and I went for a drive down the shore. She was wearing some short shorts and a see through top with no bra making her boobs and nipples were clearly visible through the material. Anyway we drove for about an hour and decided to stop by a cute little beach-side cafe.

We walked in we were both surprised to see a beautiful Asian girl in tight shorts and tank top come out from behind the counter. She comes over and says hello... I asked where she was from and she said "Vietnam." I said

that she looked like she was Thai. She said that her mother was Thai and her dad was Viet. Anyway, she took our order. We sat down in the empty cafe and we talked about how hot and sexy the waitress was. We were both getting probably a little too excited.

Then she comes back with our drinks and I ask her name and she said Nadi. I introduced ourselves, and she seemed to relax and flirt a little with us. Just little smiles and leaning over the table in front of us and showing some bare skin along her hips and back. Nadi said she would be back in a moment with

the rest of our order. She brought out our food and since no one was in the cafe, we asked her to sit down and join us. She sat down next to us and my lady was getting turned on as her nipples were getting harder and sticking out so visibly.

Nadi surely noticed and flirted some more. I asked her if she had a guy and she said 'no' as she was traveling around the world and preferred to find a boyfriend when she finished her adventure. This was a turn on and my

lady got up to have stretch and flashed more of her sexy legs and breasts with her stretching. Nadi said that my lady had a great body and I said 'yes, she did.' I also complimented Nadi that she had a great body too. My wife agreed and leaned forward, her top falling a little more open, exposing her boobs to Nadi who couldn't help but look.

Then Nadi stood up and pulled her top up, showing us her firm small breasts with perfect dark brown nipples. "Do you like mine?" she asked and I said they were beautiful and that she had a great body. I asked if she thought my lady was hot and she said 'yes.' I said that maybe we should meet up after her work was done for a quiet drink and she said 'yes.'

Suddenly, some customers walked in and she had to go serve them. After a short time we went and paid our bill and I gave her our mobile number and she wrote hers out

for us and gave it to me as her hand lingered on mine. She gave my hand a squeeze and then my lady and her gave each other a kiss on the cheek but my lady quickly moved her mouth over and gave her a kiss on the lips. Nadi returned the kiss with a little tongue and then said that she will call after work. We then left and went home to get ready for the evening.

ICAN'T SLEEP

Sleep was impossible tonight, so I snuck out of the bedroom to write down what just happened while it is fresh in my mind. As I got up to leave, I watched Caleena twist her long black hair off her perspiring neck and shoulders and laid it on the pillow. The room was dark, the bed sheets damp with her scented perspiration. She changed her position so that she was flat on her back, legs apart.

It was only a couple of hours ago that I was kneeling behind her pulling her hair so that she arched her back. Caleena slid her hand down the trail of soft, dark downy hair which led from her belly to her clean-shaven pubes. She shivered slightly as she dipped two

fingers into her dripping slit, working them in and out slowly but firmly.

She was hot, swollen and wet just like when I stood behind her in the shower placing her hands on the wall, pushing my hard cock against her ass cleavage. I reached under her body and cupped her ample breasts, dark brown nipples hardening at my touch.

Even though the room was pitch black, Caleena closed her eyes. I was now on my hands and knees behind her, forcing apart the ample flesh of her ass cheeks, tonguing and fingering first her brown starry asshole, then the deep brown cunt lips which demanded my immediate attention!

She backed into my face, reminding me that my work here had to last much longer. Just as she was used to my rhythmic dipping of her tight intimate passages, she felt the hard, smooth touch of her butt being lined up for deep penetration. First one and then two pussy juice lubricated fingers entered her butt to gradually loosen her tightest hole. Now I firmly pushed my cock home, causing a gasp of pleasure and a feeling of exquisite fullness. Caleena was ready to be com-

pletely filled. She began breathing more rapidly and uttering expletives in her determination to have complete satisfaction.

“Baby, stick your fingers in my pussy, now.” My cock was pressing against the walls of her pussy setting a tremor in her internal nerve endings. I did what she said and pushed two, then three into her deep and hard. I fucked her in rhythm with cock and fingers and her hips buckled to my beat.

Caleena pleasured a quiet climax and turned over in bed, laying down on her belly, her ass sticking up, demanding to be seen, to be fucked. She had just experienced the feeling of

complete fullness in both holes but still she wanted more fucking. I knelt behind her and pried her glistening cheeks apart and began my worship of her glistening ass and pussy once again. My lips, tongue and fingers darted from hole to hole kissing, licking and dipping along the way.

Caleena was almost there and quickly slid up the bed, turned over and presented me with a view that no man could resist – boobs and belly rising and falling, deeply bronzed skin glistening wet, deep pink gash of her pussy – juicy beyond belief. I slipped my cock in and soon there were hard, wet slapping sounds from our

She gripped me around the waist with her silken thighs holding me deep inside her as she reached low between us and grabbed my pulsing balls. She knows exactly how to squeeze them and pull at the sac skin. I reply with animal like sounds and ever quickening breaths.

SWINGING BLINDFOLD

Last weekend, my wife and I went to a party with several couples who were friends of my wife. The party was meant to be an adult theme party. As the night progressed and a few alcohol drinks late, the girls decided that they wanted to play some

which one was our partner. We guys decided to be sure we couldn't pick our partner out at the start and ended up kissing all the women. We all got some great kisses and everyone had a good laugh.

Now they decided that it was time to amp up the stakes. The ladies decided to try a bit more risqué game. The men were all for it, even before they told us what it was. They made us stand up, blindfolded us again. They got in front of us, but we did not know who was where, and then unzipped our pants.

I felt a hand reach in and grab my semi-rigid cock and pull it out. What next? I thought. Slowly the hand began massaging my cock to full hardness and by some of the masculine moans I heard, the same was happening down the line. I pretended not to notice when I sensed a familiar hand and stroking motion on my cock. After five minutes and before any guy came, we were made to guess which was our mate's hand job. Fortunately for me, I guessed right. Only one other guy did, too.

You can probably guess what's going to happen next, and you're right. With blindfolds still on, and no warning, I felt a

war, soft mouth encircle my cock. Again gasps from the other men told me they were getting the same. Each lady had two minutes to suck us until all had done it. Again we had to guess and I was right again.

Then the ladies asked us guys who we wanted to finish us off. Still with eyes covered, we all, fortunately, selected a different woman, and not our wives. Minutes later I couldn't stop myself from cumming in one of the ladies' mouth, and blew such a big load.

I took off my blindfold and saw it was my wife's best friend and she had a huge smile, and lots of cum running down her face. I looked over at the other guys and noticed my wife sucking her best friend's partner just as he blew his load into her mouth.

Then the orgy began after this fantastic prelude and I know I managed to get around and slip my cock into everyone of the ladies that night. My wife got her fill of cock, too. I fucked her after everyone else had finished with her. We went home and fucked like we hadn't done in a long, long time.

– Jacoby M., San Antonio

gave her several hard pounding thrusts. Her hips buckled and her eyes rolled back in her head. She let out a scream that was probably heard throughout the neighborhood and I exploded inside her, finally collapsing on her heaving, sweating chest. I roll off her and fall onto my back, dripping from every pore. After twenty minutes we

games. Four men were picked and we were made to sit down on chairs and then the ladies blindfolded. They had decided to see how good we were in picking our spouses out of all the women there. I think each one of guys was ready to find out also

They were going to kiss each of us and we were supposed to figure out

JAYDEN

A NEWBIE STRUTS HER STUFF

What a cutie we thought when we saw these pictures of JAYDEN. Beautiful face, cute gap between her teeth and perfect, perky boobs. She's got a great innocent smile, and a really tight pussy (we'll take her word for that!). We let her loose in the bedroom and she turned out to be a real tiger in the sack. Enjoy your first look at Jayden.

What an amazingly great time Jayden had, she told us. She had never had a cock that big before and thought she would be intimidated, but ended up really liking the way it filled her pussy. We're very glad she had a great time because we did too.

There's nothing like close-ups of a beautiful pussy. A pussy that's been taken care of. One that's inviting to lick as well as fuck. One that (for some) is a gateway to a beautifully puckered anus. A pussy that magically turns bright pink when its petals are folded back. One that secretes the sweetest nectar known to man.

hey, bartender

you have something I need.

Only a few weeks of summer left and I'm trying to make the most of it. I've stayed home reading almost every night. But tonight – it's going to be different. I decided that I'm going to Aura, one of those huge mega-clubs that line the boulevard. I had been there once before and I liked the place, and this one bartender. There were some great looking guys there. Guys with the perfect smile and perfect body. I wanted them to talk to me, but I wanted them to take it one step further. Be discreet and don't only buy me a drink, but slide between my legs and show some romantic interest in me. I hadn't got laid all summer, but that may have been my fault. I didn't feel like talking to anyone during the day because the sun was too hot and I was sweaty. Who'll talk to a girl with sweat running down her body?

So I got myself ready for the club. Smelled nice. Wore that new cologne. Got into my shortest dress and highest heels. The right man will notice all this. All the time I took to get ready for him. I'm more than just hungry for the right person, I am desperate for that man who wears that new cologne, walks up and slips between my legs, rubbing my skirt as I sit atop my barstool staring into his eyes. There is a desire running in me. As I become hornier for him, watching one after another walk past me, I become wetter and wetter. The moisture within has built to a credible amount that is soaking the crotch in my panties.

An hour has come and gone and I've looked around but no one, yes no one, has approached so I'm going home. I really like the bartender. He was easy to talk to, whenever we could hear each other, that is. He has been sweet and

gracious. He was so nice and wished things were different. He was not beautiful, but he was nice and gracious. He told me at the very last minute he'd ask me out if conditions were different. I wouldn't tease; I'd simply fuck him for the fuck. Oddly, as I walked out I turned around and looked back at him. He was looking at me with a smile and he waved. It was a nice wave.

I didn't take advantage of my situation which was a good idea, maybe. Sometimes I thought I wished I had. Just as I got into my car and some guy yelled out asking me if I was leaving so soon. I thought that was bold but told him "Sorry, yes I was." He said he wished I would have stayed so we could have danced. He looked cute. I went home.

That night, using my imagination, I danced with the guy who yelled out at me earlier. I climaxed while slow dancing with him. The orgasm was wild. In my fantasy, the guy was happy he could get me to orgasm while we slow danced. All he did while we danced was fingerfuck my clit, going underneath my skirt and I loved it. I always love my fantasies. I've come up with some real wild ones in the past.

Thursday, another boring day I told myself. I called an old friend who I knew in town to go shopping. I was going to ask her to go to the club but didn't. I went shopping with her but she and I really didn't have much in common by day's end and it wasn't that much fun so that is why I didn't. Friday was another boring day. The summer days were passing fast. Was that a good thing? I didn't go clubbing at first. But by 10 pm, I gave in and went over to the place. Going into the club, I walked over to the bar.

Once he unbuttoned me completely, he didn't remove my top. He looked inside and was overjoyed with what he saw. I was elated. I was anxious.

He wasn't working that night. I was disappointed. I asked the girl behind bar and she said he was coming in soon to help out, if it was busy. I smiled because I was relieved. I needed someone to talk to. There were two on duty, her and another girl. She was new, but she told me she was experienced. I thought, since I was bored and lonely, "How experienced is she?" She knew right away what was going through my mind and giggled. I didn't know what she meant, but I realized shortly afterwards she meant she would take me home or she could come home with me and have sex with me. I've never had sex with another female before although we've goofed around in college back when I was a freshman and sophomore, but not as a junior. No, not this year I haven't. Things are different this year. I thanked her and told her maybe I'd think about it for another time. She said it was alright and understood.

Finally, my bartender comes in. His name is Clinton. He sees the club is dead and asks if he needs to stay. My lady barkeep says she can handle it so he can go. He sees me at the bar and comes over and we start to talk as if we knew each other. We've talked before in short bursts but it's been over the noise of the bar. He and I were both bored lately. I asked him what he wanted and he answered just the way I wanted him to. He had big hands with long slender fingers. It suggested to me only one thing, but I was wrong to a degree. I was not disappointed because I was so horny. He was horny too. We didn't waste time as Clinton made the first move. He leaned towards me as I watched his eyes close in on mine.

He and I sat on my couch talking as he took the first step. He looked around my room and noticed how modestly decorated my room was adorned. While I looked with him, he laid his hand on my thigh moving it across and

down to the inside of it. I happened to be wearing a skirt similar to the one the other night. Lightweight and cotton, I liked it because of its free floating texture. I liked it because skirts always put me in a cheery mood. He liked it too because to him, I'm sure, it was an invitation to sex. I subtly opened my legs, and then I opened up more. I wore a matching lightweight top. I hoped he would move in on my breasts. They are large and firm. I'd been told that they are everyman's wet dream and I've exploited them that way before.

I began to like Clinton more and more. We began to kiss. I felt Clinton's tongue. I tugged at him. I wanted Clinton to unbutton my top and release my boobs, undo my skirt, and I wanted him to undress himself or let me undress him. My pussy moistened and dripped. His cock hardened, I'm sure, but I didn't know it. He unbuttoned me as I wished. Once he unbuttoned me completely, he didn't remove my top. He looked inside and was overjoyed with what he saw. I was elated. I was anxious. I was even hornier. I wanted Clinton so very much.

I love my breasts. I wouldn't change them. My roommates and I talked hours on end, privately in our rooms, having all sorts of conversations about boobs. We laughed and laughed and we even played with them in the privacy of our rooms. I will never understand why they hold special powers, they're just breasts. So some days, like this week, my breasts are offerings to Clinton. I am happy to offer them up to him. I am delighted. Two delicious mounds for him to enjoy all night long. He smiled and I knew I was right all along. Then I removed my skirt for him. Doing it, I said I was ready to make love to him. Clinton took off his shirt. I liked Clinton's chest right away. It was manly enough. I rubbed it. I liked it more.

...I got down on my elbows, lifting my butt higher for him. This was a signal to pump harder and he did. I counted twenty-two plunging thrusts into my ass...

He smiled when I did. I asked him if he was smiling because of what I was doing? If it was nice? He said to me, "Yea, it's awesome." We laughed, so I took off my top. He told me he was really turned on. I told him I was too. I asked him to see what I meant and held his hand. He knew what I meant. I led it down between my legs so he could feel my panties. His eyes popped wide open. They were soaked. I blushed because I didn't realize how wet they actually were.

When I felt his bulge, an indescribable rush blew throughout me. I asked him if I could take his pants off. He said yes. I was hot all over! I unbuckled his belt, unsnapped his pants, and unzipped them. They fell by themselves to the floor and he stepped out of them. Wearing briefs, I saw his splendor pushing hard against the inside of them. I thought he would be bigger, but he wasn't. Regardless, it didn't matter one bit. His size thrilled me either way. I went down on my knees, slipped his underwear off, looked up at him. I don't know what he assumed but all I did was hold it in my hands. Holding it and staring at it, I stroked very, very slowly. He loved it. He closed his eyes. I loved doing it, too. Slowly, surely I stroked his shaft, never being aggressive whatsoever. I loved how his cock felt in the clutches of my hands. It was long, stiff, and lean just like him. Then I decided to give him the best blowjob a woman could give any man.

He was completely naked. He stared at my breasts. Clinton, I could tell, adored them. I was overjoyed he found pleasure in them. He lifted me up and standing there completely naked, he stared and stared as if gawking. "They are the most beautiful breasts I've ever seen." Then Clinton put his arms around me and we kissed and kissed for a very long time. Bare naked, I turned holding his hands, and pulled him back to my bedroom where I lay on my bed so he could make love to me. Lying next to me, Clinton

caressed my boobies. He kissed them, and the surrounding areas too. Clinton quietly kissed or caressed me everywhere. When I say everywhere, I mean anywhere and everywhere. It was and it wasn't intense at the same time. Clinton's hands swarmed me in areas no one has ever touched me before.

Clinton's fingers slipped inside my thighs. Slowly they inched their way through to my hole, yes slowly, but surely they made their way. Not forcing his way, he subtly slipped his fingers in my pussy wetting them down and delicately went into my ass hole. I squealed feeling his fingers inside it. I let him proceed. I began to enjoy it more and more. I backed my hips into his fingers and told him to replace them with his cock. He did so immediately and I buckled from the largeness creeping into my tiny hole. I grabbed his hips

and made him push into me more. Then took his hands and brought them around me and down to my clit. What a feeling. I can't say if I felt it before. All my sensations seemed amplified. He brought one hand back up to my boobs and gently pinched the nipple. He knew just the right amount of pressure to use.

We fucked like this for several minutes and then I got down on my elbows, lifting my butt higher for him. This was a signal to pump harder and he did. I counted twenty-two plunging thrusts into my ass and felt his warmth gush deep in my anus. We collapsed on the bed, his weight on top of me. I was so turned on that he just touched me lightly on my clit and I came. That night was full on sex and romance. He not only made love to my boobs, he made love to my ass, my lips, my pussy, and most importantly, to me as a woman. I saw him a couple more times before the summer ended and we fucked with greater abandon each time. I wish I could pack him up in my suitcase and take him with me.
